Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting 3,593,059 in funding for The Village of Sag Harbor Phase I Sewer Service in fiscal year 2024. The entity to receive funding for this project is The Village of Sag Harbor NY, located at 55 Main Street Sag Harbor NY 11963. The funding would be used to expand the sewer system. The project is an appropriate use of taxpayer funds because it would provide cleaner water in the Peconic Estuary.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
